

Reaseheath College Phase III

Nantwich, Cheshire

Status:

Due for completion July 2010

Value:

£17 million

Client:

Reaseheath College

Description:

Following our successful work with the college on Phase II (£8m) we are appointed to develop the next phase of major projects to overhaul the college campus.

The proposals include a new student HUB, Food Processing, Adventure Sports, Horti-

culture and Departmental Teaching Facilities.

In addition, other works include the provision of various utility buildings, a new marketing department and significant infrastructure works.
