

## Holland Construction Offices & Warehouse

Kidsgrove, Stoke-on-Trent

**Status:**

Completed 2006

**Value:**

£175,000

**Client:**

Holland Construction Services Ltd

**Description:**

The project consists of two industrial units and office accommodation, one for owner occupation and the other for let.

The office accommodation is split into two floors and comprises of a reception area and store rooms on the ground floor with access to a warehouse, and a meeting room, office space and toilets to the first floor.

The client, being a construction company, wanted a showpiece building to market the business, so the materials and finishes were to a very high standard.
