

## Jobcentreplus Roll Out

Nationwide

**Status:**

Completed 2007-08

**Value:**

£30-£50 million

**Client:**

Department for Works and Pensions

**Description:**

The jobcentreplus roll out project involves the alteration and refurbishment of existing premises for the Department for Work and Pensions throughout the country.

The Practice has been the lead partner and acted as District Architects for the Sefton and Knowsley, Cheshire and Warrington, Stockport and Tameside, South Humber-side and North Notts districts.

In excess of 50 projects have been carried out or are currently in programme. These embrace both single and multi storey fit outs with a value ranging between £60,000.00 to £2 million, along with a single new build centre worth £3 million.
