

## Bentilee Neighbourhood Centre

Bentilee, Stoke-on-Trent

**Status:**

Completed December 2006

**Value:**

£9.8 million

**Client:**

City of Stoke-on-Trent &  
Stoke-on-Trent Primary Care Trust

**Description:**

Bentilee Neighbourhood Centre is the latest concept in public service centres with scores of services under one roof.

The development provides a one stop centre for major services including Health-care, Citizens Advice Bureau, Library, Housing Needs and Community Support Facilities to local people.

The Bentilee Centre is only one of a handful across the country and has been funded through a Private Finance Initiative. The council hopes to use the centre as a model for other similar buildings across the city.
