

Brindley Building New Entrance

Staffordshire University, Stoke-on-Trent Campus

Status:
Planning

Value:
£300,000

Client:
Staffordshire University

Description:
The brief was to design a new signal entrance and cafe space for the Brindley Building at Staffordshire Universities, Stoke Campus..

The form is clad in red ceramic tiles linking it to the universities signature colour and was designed using the notion of a contemporary 'seat', an icon of cafe culture.
