Client:

Midland Heart

Description:

The Snow Hill will be the Midlands flagship "Places of Change" scheme, a national government funded initiative which seeks to transform the homeless hostel system.

The project proposes a 20 no. residential unit new build extension to a refurbished building and incorporating a further 68no. units and Social Enterprise to create a unique community.

Inspired by the Snow Hill's existing canal side mural, the scheme seeks to exploit canalside visual linkages.
