Status:

On-site

Value:

£3.5 million

Client:

Alsager School

Description:

New stand alone building to provide new refectory and kitchen to replace existing facility which has to be integrated into a new 6th Form Centre.

The new dining areas provide flexible spaces for the 6th form students and teaching spaces together with meeting areas.

Integrated into the design is a new drama facility for the school, incorporating a 240 seat auditorium, acting area, changing rooms and workshops.

The dining area is again integrated into all the spaces to provide many uses, including, auditorium, large assembly space, dining areas of two different sizes and smaller meeting areas.
